Chorus:Regine Velasquez...

I can live... I can love

I can reach the heavens above...

I can right what is wrong...

I can sing just any song...

I can dance... I can fly...

And touch the rainbow in the sky...

I can be your good friend...

I can love you... until the end

Mikee Cojuangco:

What took you so long to make me see...

How lucky I am cause I am free...

Free to do the things I wanna do...

Donna Cruz:

What took you so long to make me feel...

I can give love...

A love so real...

What took you so long to let me know...

Repeat Chorus

Mikee, Donna, Regine:

What took you so long to make me cry...

So I would know the reason why...

I'm so lucky I can smile... I didn't notice for a while...

Repeat Chorus

I can dance... I can fly... and touch the rainbow in the sky...

I can be your good friend...

I can love you... until the end...
