woh, I  
baby what a fool I am  
first a boy and then a man  
and now, and you  
you're the heart of it all  
you're the things I say and do  
am I wasting my time hanging around  
you would be gone  
\*but I can't help it?  
\*\* every moment that I think about you  
every day and every night without you  
I can't survive  
love, take away the lonely days gone by  
making every day for you and I  
giving me chance to go and believing  
girl, you gotta go on believing  
boy, you gotta go on believing  
baby you're the breath I take  
coming from the heart in love am I  
you, you're the heart of it all

you're the things I say and do  
am I wasting my time hanging around  
you would be gone  
repeat \*  
repeat \*\*  
love take away the lonely days gone by  
making every day for you and I  
giving me a chance to go on believing  
boy, you gotta go on believing  
la la la ... la la la...  
I can't help it  
every moment that I think about you  
every day and every night without you  
I can't survive  
\*\*\* love, take away the lonely days gone by  
making every day for you and I  
giving me chance to help it  
repeat \*\*  
repeat \*\*\*
