I could stay awake just to hear you breathing
Watch you smile while you are sleeping
While you're far away and dreaming

I could spend my life in this sweet surrender
I could stay lost in this moment forever
Where every moment spent with you
Is a moment of treasure

[Chorus]

I don't wanna close my eyes, I don't wanna fall sleep
Cause I miss you babe and I don't wanna miss a thing
Cause even when I dream of you, the sweetest dreams
would never do
Cause I miss you babe and I don't wanna miss a thing.

Lying close to you,
Feeling you're heart beating
And I wonder what you're dreamin',
Wondrin' if it's me you're seeing

And then I'd kiss your eyes
And thank God were together
I just wanna stay with you
In this momment forever, forever and ever

[Repeat chorus]

I don't wanna close my eyes I don't wanna fall asleep
Cause I miss you babe and I don't wanna miss a thing

I don't wanna close my eyes, I don't wanna fall asleep
Cause I miss you babe and I don't wanna miss a thing
Cause even when I dream of you, the sweetest dreams
would never do
I'd still miss you babe and I don't wanna miss a thing
ehhahhhehahh
I'd still miss you babe and I don't wanna miss a thing

The sweetest dreams would never do I'd still miss you
babe
And I don't wanna miss a thing

I don't wanna miss a thing
I don't wanna miss a thing
I don't wanna miss a thing!
