Just a gentle whisper
Tell me that you called
Even only in memories
Where did we go wrong
Couldn't find the words then
So, let me say it now
I'm still in love with you

Tell me that you love me
Tell me that you care
Tell me that you need me
And I'll be there
I'll be there waiting

I will always love you
I will always stay true
There's no one who loves you like I do
Come to me now
I will never leave you
I will stay here with you
Through the good and bad
I will stand true
I'm in love with you

Now were here together
Yesterday has past
Life is just beginning
Close to you at last
And I promise to you
I would always be there
I give my all to you

Living life without you
Is more than I can bear
Hold me close forever
(I'll be there)
I'll be there for you

I will always love you

I will always stay true
There's no one who loves you like I do
This I promise
I will never leave you
I will stay here with you
Through the good and bad
I will stand true
Hold me closer

Our love is forever
Holding us together
Nothing in this world can stop us now
Love has found
Love has found, our way
I'm in love (I'm so in love)
I'm in love (yes, I'm in love)
I'm so in love
With you...
