I

Lost and all alone
I always thought that I could make it on my own
Since you left I hardly make it through the day
My tears get in the way
And I need you back to stay

II

I wander through the night
And search the world to find the words to make it right
All I want is just the way it used to be
With you here close to me
I've got to make you see

CHORUS:

That I'm lost without your love
Life without you isn't worth the trouble of
I'm as helpless as a ship without a wheel
A touch without a feel
I can't believe it's real
And someday soon I'll wake
And find my heart won't have to break

REPEAT II

CHORUS:

Yes, I'm lost without your love
Life without you isn't worth the trouble of
All I want is just the way it used to be
I need you here with me
Oh darlin' can't you see
If we had love before
We can have it back once more
And I'm lost without your love
