LOVE WAS BORN ON CHRISTMAS DAY

It was a dark starry night
That made the world see the light
Three wise men followed the star
The angels led them to a new born child
When they saw him love filled the air

It was a cold December night
A father, a mother, and a child

CHORUS:

Love was born on Christmas day
Love was born on Christmas day
Sleeping in a manger
Was the world only Saviour
Humble beginnings of love
We're given and shown to the world
Love was born on Christmas day

Frankincense, Myrth and gold
We're the first gifts of love
Given to a poor child by kings
A shepherd and his lambs
Gathered around to see a miracle
On a peaceful night angels sung and prayed

Picture of love on a cold December night
A father, a mother, and a child

REPEAT CHORUS 2X
