REMEMBER THIS CHRISTMAS

December night a lonely tune
Making the most of the moment
'Coz you'll be leaving soon
So hold me tight
And let this be the happiest Christmas ever
For you and for me

REFRAIN:

Remember this Christmas darling
It's the best I'll ever know
Remember the gift of love I gave you, as I let you go
Oh, remember this Christmas darling
In years to come wherever you maybe
Remember this Christmas and remember me

Light up the tree
And pour the wine
We'll drown in each other's laughter
All thru the night
And though I know
We'll be apart next Christmas and always
I'll have you in my heart

REPEAT REFRAIN:

How I'll always love you
How I'll always care
Close your eyes, Remember this Christmas
Whenever you want me there, I'll be there
