(Gary)

Here we are, two fools in love again
Hoping that this love would never end
Look at our two hearts, not willing to fall apart
Hoping we're still together until the morning comes

(Regine)

Look at us, lying to ourselves
Can't accept this love's for someone else
Let's leave it all behind, make sure that love ain't blind
Leaving room for tomorrow for hearts may meet again

CHORUS:

(Regine/Gary)

How can we let this love slip away
Can we just save it all for some other day
Only two fools will try to keep this love alive
But without you
Don't know if I'll survive
Don't know if I'll survive

Yeah... yeah...

(Regine)

I can't deny my love for you is true

But I can't go on, there's nothing more to do

(Gary)

Ooh, our love was once so strong, but now you can't
hold on

(Regine/Gary)

Let's not make this the past, let's move on and make it
last

(Repeat Chorus)

(Regine/Gary)

Don't let it slip away... yeah...

BRIDGE:

(Gary)

Baby tell me that you love me
And show me how much you care

(Regine)

Even though we can't go on now,
But you will always be there.

(Regine/Gary)

I'll always be there.

(Repeat Chorus twice)

(Regine/Gary)
Don't know if I'll survive
Without you by my side
Yeah... yeah...
Ooh... Ooh...
Here we go saying goodbye, waving goodbye...
Bye bye....
