I never dreamed  
Cause I always thought that dreaming was for kids  
Just a childish thing  
And I could swear  
Love was just a game that children play  
And no more than a game  
Till I met you  
I never knew what love was  
Till I met you  
This feeling seems to grow more every day  
I love you more each day  
I believe you  
I believe in every word when you say:  
"I love you all the way"  
Now I can swear  
Love is not a game that children play  
So tell me that you'll stay  
Till I met you  
I never knew what love was  
Till I met you  
This feeling seems to grow more every day  
I love you more each day  
Oh oh oh oh  
You and I should be together  
Can't you see?  
Can't you see?  
Till I met you  
I never knew what love was  
Till I met you  
This feeling seems to grow more every day  
I love you more each day  
Till I met you  
No, I never knew what love was  
Till I met you  
This feeling seems to grow more every day  
I love you more each day  
Till I met you  
Till I met you  
Till I met you  
Till I met you  
Mmmm  
Till I met you

Till I met you  
I love you more each day  
Till I met you  
I never knew what love was  
Till I met you...
