I never get tired of loving you
I've thinking of you each night
You're always on my mind each passing day
You're in this heart of mine
You, I've been loving you for so long
You've been the life behind my song
You're the reason why I keep going on and on

(Wherever I go) Go
You're in my soul
(Wherever I go) Go
I keep your picture in my mind
When I close my eyes
I always see your smile
Wherever I go

I don't mind the distance
Because you are always in my heart
Darling I'd see that when I close my eyes
There you are

You, I've been loving you for so long
You've been the life behind my song
You're the reason why I keep going on and on

(Wherever I go) Go
You're in my soul
(Wherever I go)
I keep your picture in my mind
When I close my eyes
I always see your smile
Wherever I go

Wherever I go
(Wherever I go)
You're in my soul
(Wherever I go)
I keep your picture in my mind
When I close my eyes
I always see your smile
Wherever I go

(Wherever I go)
(You're in my soul)
Wherever I go
(I keep your picture) in my mind
When I close my eyes
I always see your smile
Wherever I go
