I love to see the ocean's beauty
And the moon that shines above
Alone in the sand lookin at the stars
Wishing someday I would find true love

Wouldn't be nice to see the morning
With the one you love the most
Wouldn't be nice to say goodnight
To the one you hold so close
To your heart, to your heart

The wind that blows the dove
Is the wind that blows my love
Hoping to find its way to you
Wherever you are

I love to sit in fields of green
Looking deeply thru the sky
Watching birds as they flap by
Hoping someday faith will bring me true love

Wouldn't be nice to hold someone
So dear, n near your heart
Wouldn't be nice to hear those words
I love you, from the one
That you love, that you love

The wind that blows the dove
Is the wind that blows my love
Hoping to find its way to you
Wherever you are

The wind that blows the dove
Is the wind that blows my love
Hoping to find its way to you
Wherever you are

I love to see myself one day
In the arms of someone
Who will share her life with me
Selflessly, someday you will find your way,
To me . . .

The wind that blows the dove
Is the wind that blows my love
Hoping to find its way to you
Wherever you are

The wind that blows the dove
Is the wind that blows my love
Hoping to find its way to you
Wherever you are, Wherever you are
