You said Goodbye  
Tearing my world apart  
I felt so numbed  
Not knowing, Not believing  
That our was a farce  
That we two could never be one  
I gave everything that I could give...

Chorus:  
You don't how it feels to be loved  
To be touched by an angel be swept away  
You'll never know just what it means  
When you make me believe that love is real  
And this could be forever  
You'll never know how it feels to love...

I never that it could end this way  
But I thank you  
For sending me on my way...

I never knew that we could end this way  
But I thank you for sending me on my way  
My way (2x)  
Repeat Refrain  
You'll never know (3x)  
How it feels to love.
