is it hard to believe im ok
after all its been awhile since u walked away
i'm way past crying
over u finding someone new
u turned my days into nights
but now i see the light
and this maybe the big surprise to u
chorus:
but/coz uve made me stronger by breaking my heart
u ended my life and made a better one start
uve taught me everything from falling in love
to letting go of a lie
yes uve made me stronger, baby, bye saying goodbye
if u try to believe im not over you

go ahead, theres nothing wrong with making beleive
i know, coz i used to pretend youll come back to me
but time has been such a good friend
brought me to my senses again
and i have u to thank
for setting me free
rep chorus
think again
dont feel sorry for me, my friend
oooh....dont u know, im not the one of the losing end
**

rep chorus 2x
you've made me stronger, baby, by saying goodbye
