Zoom just one look
And then my heart went boom
Suddenly and we were on the moon
Flying high in the neon sky, oh

Bang just one touch
And all the church bells rang
Heaven called and all the angels sang
Sunrise shine in the midnight sky, oh

Zoom you chase the day away
High noon the moon and stars came out to play
Then my whole wide world went zoom

(I passed a rainbow as we went flying by
Faster and faster we were higher than high
For once in my lifetime I was finally free
And you came back to me)

Oh, zoom you chase the day away
High noon the moon and stars came out to play
Then my whole wide world went zoom

Moonbeams dancing in the afternoon
Shadows blowing as the roses bloom
Looking down on a wonderland, oh

Smack just one kiss
And I was outta whack
All at once there was no turning back
Oh so far above the brightest star, oh

Oh, zoom you chase the day away
High noon the moon
And stars came out to play
