They say, this town  
Stars stay up all night  
Well I don't know, can't see 'em  
For the glow of the neon lights  
And it's a long way from here  
To the place where the home fires burn  
Well, it's two thousand miles and one left turn

Dear Mom and Dad, please send money  
I'm so broke that it ain't funny  
Well, I don't need much, just enough to get me through  
Please don't worry cause I'm alright  
See I'm playin' here at the bar tonight  
Well, this time I'm gonna make our dreams come true  
Well, I love you more than anything in the world  
Love, your baby girl

Blacktop, blue sky, big town  
Full of little white lies, well  
Everybody's your friend  
You can never be sure  
They'll promise fancy cars and diamond rings  
All sorts of shiny things but  
Girl, you'll remember what your knees are for

Dear Mom and Dad, please send money  
I'm so broke that it ain't funny  
Well, I don't need much, just enough to get me through  
Please don't worry cause I'm alright  
See I'm playin' here at the bar tonight, well  
This time I'm gonna make our dreams come true  
Well, I love you more than anything in the world  
Love, your baby girl

I know that I'm on my way  
Well, I can tell everytime I play  
And I'll know it's worth all the dues I pay  
When I can write to you and say

Dear Mom and Dad, I'll send money  
I'm so rich that it ain't funny

Well, it ought to be more than enough to get you  
through  
Please don't worry cause I'm alright  
See I'm stayin' here at the Ritz tonight  
Whatta ya know, we made our dreams come true  
And there are fancy cars and diamond rings  
But you know that they don't mean a thing  
Well, they all add up to nothin' compared to you  
Well, remember me in ribbons and curls  
I still love you more than anything in the world  
Love, your baby girl

Your baby girl  
Your baby girl

Dreams come true
