I go through many days  
Just missing our times  
I never thought you would leave  
I'm losing it all  
Let's take a ride to faraway  
Let's take a ride let's just go escape

Chorus:

I don't wanna wait another day  
Let's do it babe let's runaway  
I don't wanna lose another day  
Let's do it babe let's runaway  
Ready tonight  
Ready right now

Gone through another night  
Still dreaming you're mine  
I never had felt this way  
I'm breaking inside  
Let's take a ride to faraway  
Let's take a ride, let's go escape

Chorus:

I don't wanna wait another day  
Let's do it babe lets runaway  
I don't wanna lose another day  
Let's do it babe let's runaway  
Ready tonight  
Ready right now

Let's go faraway  
Let's take a ride to faraway  
Let's take a ride, let's just go escape

Chorus:

I don't wanna wait another day  
Let's do it babe lets runaway  
I don't wanna lose another day  
Let's do it babe let's runaway  
Ready tonight

I don't wanna wait another day, no other way  
Let's do it babe let's runaway  
One more time. Hold on tight  
One more try  
Lets runaway  
Faraway

Ready tonight  
Let's do it, now.
