Baby, I'm just heart and soul and flesh and bone  
I sigh when you kiss me  
Cry when you leave me alone  
You tell me I'm special but this time tell me the truth  
The way you love me wouldn't any woman do

I've tried everything with you even livin' on faith  
(Wouldn't any woman)  
When everybody else knew it was already too late  
(Wouldn't any woman)  
I've loved you to the limits of my self-respect  
Now, I'm leavin' with what's left  
Wouldn't any woman

If I had one wish I'd only wish you well  
Wouldn't tell one story if I had one story to tell  
Well baby, please stay sounds sweet, but way down  
deep you know  
I'm not goin' anywhere wouldn't any woman go

I've tried everything with you even livin' on faith  
(Wouldn't any woman)  
When everybody else knew it was already too late  
(Wouldn't any woman)  
I've loved you to the limits of my self-respect  
Now, I'm leavin' with what's left  
Wouldn't any woman

(I've tried everything with you even livin' on faith)  
Oh wouldn't any woman  
(When everybody else knew)  
It was already too late  
(Wouldn't any woman)  
Oh I've loved you to the limits of my self-respect  
Now, I'm leavin' with what's left  
Wouldn't any woman  
Oh wouldn't any woman  
(Wouldn't any woman)  
Yeah wouldn't any woman  
(Wouldn't any woman)
