I'm moving wave  
The color blue  
Stole my strength, stole my youth  
All around me, all around me hey.  
Wanna came and washed away  
All my life and just one day  
All around me all around you hey hey

Chorus:

Nobody told me we were too young  
Nobody told me we could in love  
Nobody want me somebody's coming  
She is a flood.  
Nobody told me there's what it last  
Who is scamming and swept me back  
Ooh why, why want somebody lie to me  
Lie to me

I'm seeking page I flow speed low  
... remains all we know  
All around me, all around you  
Hey hey yeah

Chorus:

Nobody told me we were too young  
Nobody told me we could in love  
Nobody want me somebody's coming  
She is a flood.  
Nobody told me there's what it last  
Who is scamming and swept me back  
Ooh why, why want somebody lie to me  
Lie to me  
Want somebody lie to me  
Yeah yeah yeah

I'm... alone  
Your memory's like stone  
Was she over me, was she over me, was she over me  
I'll seek... it's with you  
Can somebody please  
But you was lying me.

[2 x Chorus:]
