White wiggled
Red cheeked
Balls deep
In shit

Spill your guts
Into my open mouth
The most eager bleeder
In town
Barking at me
With the cattiest smile
You better pray they don't smell
The bile

Hot shot
Made Man
Sprinkle your beef
With some heartfelt deceit
Your dick is no different
Than mine

Tenderizing souls
Make 'em plastic
Anorexic
Left reeling

Loving sick fucks
You're fucking lovesick
And dead
