(Intro)

I thought that because I was getting older perhaps my sexual drive was going away because of that but I just think it?s a different reason and I?m just gonna roll with that that?s the way how I feel so I?m just gonna let yall know

(Verse)

Just for the hell of it I?ll become celibate no more hands will I use to masturbate

Some of yall laugh and some of yall hate not being able to fall in love perhaps it?s faith

Perhaps this is a sign to not find a mate sexual healing it?s a dirty feeling falling in love yes it has no reason Dick to Virginia it has no meaning tight pink butthole it has no feeling just call me the black Monk yes I feel the funk

Yall celebrate with me if yall don?t well then I?ll know you?re close-minded just try to keep an open-mind Open up your eyes and don?t be blind and you?ll understand that the truth I?ll find R, E, H, D, O double G yes it?s all mines

(Chorus 2 times)

Just for the hell of it helleridge never have to sell a brick again must I tell a bitch again

The bullshit I?m addressing check mostly next level shit never been fucked in the game I?m celibate

(Verse)

Celibate means not to marry or no sex for religious reasons how hard can it be to be asexual

It takes unusual extreme things to get me hard simple blow jobs and penetration don?t really get me off

Parents never showed love just an asshole of a father who took abuse of the kids and the mother

Cheated on everyone that he could so eventually it disturbed me damaged psychologically in my mind

And that?s why I can?t keep any relationships for a long time that?s just the way that it is

And if I do and it?s gone I say fuck it that?s just the way it?s supposed to be in my head I?m fucked up seriously

(Chorus 2 times)

Just for the hell of it helleridge never have to sell a
brick again must I tell a bitch again
The bullshit I?m addressing check mostly next level
shit never been fucked in the game I?m celibate
