(Intro)

So much problems inside of my life, I don't understand why

From time meh born, you know what I mean

Want you understand what me ah chat seh, mercy me

All people who struggle, I want you listen this lyrics consciously seen

(Verse)

There's so many problems going on in meh life, when will I settle down get

A girl to be my wife

My mother wants me to commit to Jesus Christ, but the demons inside always

Put up a fight

Life is unfair and the world is not nice, every man in this world will have

To pay a price

I'm living hell on earth all day and in the night, drink

Budweiser until

I'm high as a kite

Soundclick emcees join and unite, continue my lyrics

yes I chat through the

Mic

Bob Marley told us it would be all right, but I highly disagree my life is

Put up a fight

Here is a quote from Tom Ripley, If I had a big eraser I would rub out the

World

The first person I would start with is myself, cause I have too many secrets

Backed up on myself

No matter how hard I try my life is a lie, happy on the outside but sad

Inside

Pain so deep I'm drowning that is no lie, most times I'd rather live in a

Virtual world

I had a virtual girl but I had to leave her, she fell too deep in love so I

Had to leave her

Cause this love inside I have none, that's why I have to
come and tell
Everyone
(Verse)
There's so many problems in my life going on, I have to
settle down and get
A nice wife
And my mother told me I have to pray to Jesus Christ,
but the demons inside
Always put up a fight a
Life is unfair and the world is not nice, every man in the
world will have
To pay a price
I'm living on earth and hell that's a lie, try to sort things
that takes
Time
Soundclick emcees time to unite, now these conscious
lyrics I'm spitting
Here through the mic
(Break)
Bob Marley told us it's gonna be all right but I highly
disagree my life is
One big fight
Umm yeah I don't know what's going on, but I know it's
time to reborn
I want you to listen to me cause you know Red Dogg
come to reborn
Yeah (5 times)
(Verse)
I was born on the Island St. Thomas, the tourists them
come and they want to
Run me out
Them sort of things make me get dangerous, so me
get dangerous and then
Meh get anxious
Hit them one cuff and they fall to the ground, the
tourist them
Really, really, really, bother me
But that's all right with me I don't care, cause I went
away and moved away
Cause I played dare
Anyway I want you to understand me, so many
problems in a meh life
I need to pray to Jesus Christ my mother said, she may
be right that's a
Good answer
I thought I found true love but I guess I was wrong,
that's why I decide to
Write this song
So I can remain calm thought our feelings were strong,
we use to sit back

In my bed and watch funny movies
I remember your favorite Something Mary; we used to
watch it laugh so hard
Until we pee
Play PS2 until we both fell asleep, you were my boo God
knows how much I
Loved you
I guess I was a fool would you believe me, I don't know
but it's time that
You go
Cause you know I am the star of the show, Christmas
was Merry but New Years
Better yeah
