Bartender I really did it this time  
Broke my parole to have a good time  
When I got home it was 6 am  
The door was locked so I kicked it in  
She was trippin' on the bills  
I think she was high on some pills  
She threw my shit out into the yard  
Then she called me a bum and slapped me real hard  
And in my drunken' stupor I did what I shoulda' never  
done  
And now I'm sittin' here, talkin' to you, drunk and on the  
run

[Chorus]

I'm sittin' at a bar on the inside  
Waitin' for my ride on the outside  
She stole my heart in the trailer park  
So I jacked the keys to her f\*\*kin' car  
Crashed that piece of shit and stepped away

You know I'll probably get ten years  
So just give me beers til' they get here  
Yeah I know the sun is comin' up and ya'll are probably  
gettin' ready for closin' up  
But I'm tryin' to dry my soul I'm tired of this life on a dirt  
road  
And everything that I love is gone and I'm tired of  
hangin' on

[Chorus]

She got me sittin' at a bar on the inside waitin' for my  
ride on the outside  
She stole my heart in the trailer park so i jacked the  
keys to her f\*\*kin' car  
Crashed that piece of shit and stepped away

I guess it was meant to be  
Romance is misery  
So much for memories  
And now I'm headed for the penitentiary  
See me on tv  
The next cop series I am danger

I guess I shoulda' did somethin' 'bout my anger  
But I never learned  
Real things that don't concern I pour kerosene on  
everything  
I love to watch it burn  
You know it's my fault but I wasn't happy it was over  
She threw a fit so I crashed that piece of shit nova

And now I'm goin' back again  
Back to the pen to see my friends  
And when we all pile out that county van  
They're gonna ask me where I've been

[Chorus]

I've been at a bar on the inside  
And I'm waitin' for my ride on the outside  
She stole my heart in the trailer park so i jacked the  
keys to her f\*\*kin' car  
Crashed that piece of shit and then stepped away  
Na Na Na Na Na Na Na Na Na

Well I'm sittin' at a bar on the inside  
And I'm waitin' on my ride on the outside  
You know I crashed that piece of shit  
And then I stepped away  
Yeah, I stepped away  
You know I crashed that piece of shit  
And then I stepped away...
