Bartender I really did it this time  
Broke my parole to have a good time.  
When I got home it was 6 AM.  
The door was locked so I kicked it in.

She was trippin' on the bills  
I think she was high on some pills.  
She threw my things out into the yard.  
Then she called me a bum and slapped me real hard.

And in my drunken stupor  
I did what I should have never done.  
Now I'm sittin' here, talking to you,  
Drunk and on the run.

I'm sittin' at a bar on the inside  
Waitin' for my ride on the outside.  
She stole my heart in the trailer park  
So I jacked the keys to her father's car  
And crashed that Chevrolet and then stepped away.

[Hank Williams, Jr.]

Ya know Moe I'll probably get ten years  
So just give me beers till they get here.  
Yea I know the sun is coming up  
And y'all are probably get ready for closing up.  
But I'm trying to drown my soul.  
I'm tired of this life on a dirt road.  
And everything that I love is gone  
And I'm tired of hangin' on.

She got me sittin' at a bar on the inside  
Waitin' for my ride on the outside.  
She stole my heart in the trailer park  
So I jacked the keys to her father's car  
And crashed that Chevrolet and stepped away.

Guess it was meant to be  
Romance is misery

So much for memories  
And now I am headed to the penitentiary  
See me on TV  
The next cop series  
I am a danger  
I guess I shoulda did somethin' about my anger  
But I never learned  
Real things I don't concern  
I pour kerosene on everything I love  
And watch it burn  
I know it's my fault  
But I wasn't happy it was over  
She threw a fit  
So I crashed her daddy's Nova.

And now I'm going back again,  
Back to the pen to see my friends.  
And when we all pile out that county van  
They're gonna ask me where I've been.

[All]

I've been at a bar on the inside  
Waitin' for my ride on the outside.  
She stole my heart in the trailer park  
So I jacked the keys to her father's car  
And crashed that Cheverolet and stepped away.

Na Na Na Na-na-na  
Na Na Na Na-na-na  
Na Na-na-na Na-na Na-na-na  
Na Na-na-na Na-na Na-na-na

I'm got me sittin' at a bar on the inside  
And I'm waitin' on my ride on the outside.  
You know I crashed her daddy's car  
And then I staped away!

Yeah-yeah, I stepped away.  
You know I rolled that Cheverolet but I walked away.  
Yeah, I stepped away... (ha ha! )
