Kelsi:

Nananana

Nananana

Yeah

You are the music in me

You know the words "once upon a time"

Makes you listen.

There's a reason.

Kelsi and Gabriella:

When you dream there's a chance you'll find

A little laughter or happy ever after

Both:

Your harmony to the melody

It's echoing inside my head

A single voice (single voice)

Above the noise

And like a common thread

Troy:

Mmm, you're pullin' me

Gabriella:

When I hear my favorite song

I know that we belong

Troy:

Oh, you are the music in me

Yeah it's living in all of us

Both:

Yeah it's brought us here because

Because you are the music in me

Both:

Na na na na oh

Na na na na

Yeah yeah yeah (na na na na)

You are the music in me

Gabriella:

It's like I knew you before we met (before we met)

Can't explain

There's no name for it (no name for it)

Both:

I'm saying words that I never said

And it was easy (so easy)

'Cause you see the real me (I see you)

As I am
You understand
And that's more than we ever had.

Gabriella:
To hear your voice (hear your voice)
Above the noise (ohh ohh)

Both:
I know, I'm not alone
Oh you're singing to me (ohh yeah)

Both:
When I hear my favorite song
I know that we belong (yeah ohh)
You are the music in me

(Yeah) it's living in all of us
And it's brought us here because
You are the music in me

Together we're gonna sing (yeah)
We've got the power to sing what we feel (what we feel)
Connected and real

Gabriella:
Can't keep it all inside (ohh)

All:
Na na na na (ohh yeah)
Na na na na (ohh yeah)
Yeah yeah yeah (na na na na)
You are the music in me (in me)

Na na na na (ohh yeah)
Na na na na (ohh yeah)
Na na na na
You are the music in me

When I hear my favorite song (favorite song)
I know that we belong (we belong)
You are the music in me

It's living in all of us
It's brought us here because (here because)
You are the music in me

Na na na na (ohh yeah)
Na na na na (ohh yeah)
Na na na na
You are the music in me (yeah)
