I've been watching you very closely  
And mostly you stick to yourself  
You and nobody else  
I'm diggin your style  
Never spot you with too many women  
Acting foolish and giggling  
Basically what I'm sayin' is I'm feeling you yeah yeah

[1] - Tell me what to do  
Just to be with you  
Whatever it is  
You're gonna get it, ooh

Tell me what to do  
Just to be with you  
Whatever it is  
You're gonna get it, oh

Do I gotta changed my style just a little or a lot  
Let me know so I can get it right  
Cuz whether it's my hair, the clothes I wear  
I don't care I'm gonna do anything I have to

[Repeat 1]  
[Repeat 1]

If you wanted me to  
I would do anything that you could ask me to  
And I would do anything to keep you happy, yes I would  
All you have to do is tell me

[Repeat 1]  
[Repeat 1]

Oooh baby, baby  
I'm on a midnight train  
What I'm feelin' is sexual feelings

Whatever it is, whatever it is  
You're gonna get it
