Can I cry a little bit
There's nobody to notice it
Can I cry if I want to
No one cares

Why can't I pretend
That you love me again?
All I had has been taken from me
Now I'm cryin'
And tears don't become me

[Chorus:]
Just one smile,
Pain's forgiven
Just one kiss, girl
Now the hurt's all gone
Just one smile to my
Make my little life worth livin'
A little dream to build my world upon

How I wish
I could say
All the things that I got to say
How I wish you
Could see what's here
In My heart
I don't ask for much
A look, a smile, a touch
Try to forget
Well, the Lord knows I'm tryin'
But it's so hard to forget girl,
When your whole world is dyin'

[Chorus]

[Solos]

Try to forget
Well, the Lord knows I'm tryin'
But it's so hard to forget girl,
When your whole world is dyin'

[Chorus]
