We both know you and I, have been through harder  
times  
But now your silence seems, a very different kind  
It feels like I've been dyin', just to hear your voice again  
CALL ME..CALL ME-CAN'T YOU HEAR ME CRYIN'?  
CALL ME..CALL ME-PLEASE DON'T LEAVE ME HANGIN'  
ON  
So maybe you were right, and maybe I've been wrong  
Why did I have to go, and wait it out so long?  
But I didn't mean to hurt you-If you could only feel my  
pain  
(CHORUS)  
Now I can't speak for you, but I wish you'd talk to me  
How difficult can this one conversation be?  
(CHORUS 2x)  
Call me  
Please don't leave me...hangin' on  
Call me  
Call me  
Call me
