Up, up, up  
Doom and gloom,  
Clouds gathering  
Up, up, over my head.

[Zip]

Up, up, up  
Doom and gloom,  
Clouds gathering  
Flash flood under my bed.

[Repeat]

Love, no such thing as love  
All love letters fade away in the rain the rain

Love, no such thing as love  
All lovers remain around until the rain

Pulled the curtains though the sun had given up  
My blackened heart was next in line  
Waste my day away just staring at the ceiling  
My memories keep leaking in

Can't stand the rain  
Can't stand the rain  
Can't stand the rain (no such thing as love)  
Can't stand the rain (flash flood under my bed)

[Female]

Can't stand the rain,  
Falling slowly  
Drip drop drive me insane

Can't stand the rain,  
No one knows me  
Like my baby do

My skies are blue  
Gone down the drain  
With the rain

[Male]

I got pots and pans all scattered round the bedroom  
I'd empty them out but why?

No one left for me to straighten up the place for  
Nothing left for me to do but cry

Can't stand the rain (no such thing as love)  
Can't stand the rain (flash flood under my bed)  
Can't stand the rain (no such thing as love)  
Can't stand the rain (flash flood under my bed)

[Female]  
Can't stand the rain,  
Falling slowly  
Drip drop drive me insane

Can't stand the rain,  
No one knows me  
Like my baby do

My skies are blue  
Gone down the drain  
With the rain

[Male]  
Can't stand the rain (no such thing as love)  
Can't stand the rain (flash flood under my bed)  
Can't stand the rain (no such thing as love)  
Can't stand the rain (flash flood under my bed)

Love, no such thing as love (Up, up, up, doom and  
gloom  
Clouds gathering)  
All love letters fade away in the rain the rain (flash  
Flood under my bed.)

Can't stand the rain  
Can't stand the rain
