You never know what the day will bring
Another song for you to sing
You never know what the day will bring
You never know when the sky will fall
What do we really know at all?
You never know when the sky will fall
BABY, I WAS FRIGHTENED BY THE STORM, BUT NOT
TODAY
NOW IF THE RAIN SHOUD FALL, IT WON'T WORRY ME AT
ALL
'CAUSE OUR LOVE WILL CHASE THE CLOUDS AWAY
Nah nah nah nah nah nah nah nah
Takin' time to work it out
To see what's goin' on about
Takin' time to work it out
'Cause I can't move the other way
There's too much gettin' in my way
No I can't move the other way
(CHORUS)
Nah nah nah nah nah nah nah nah
My Favorite Guitar Solo
(CHORUS 2x)
Nah nah nah nah nah nah nah nah
Oh yeh...know I'll be there for you
Oh yeh.....ya know I'll be there for you
To chase the clouds away
more great guitar
