"Hang On, Clementine!"

It rained the night away, the day I left the mine
A banjo on my knee, Susannah don't you cry
Our wagon lost a wheel, along the rocky wind
I'll make it up to you, my darlin' Clementine
HANG ON (HANG ON), CLEMENTINE
HANG ON, CLEMENTINE
HANG ON (HANG ON), CLEMENTINE
HANG ON, CLEMENTINE
I sold the farm for gold-That's how the story tells
Against your very will, I bought a wishing well-Yes I did!
The days indeed were hard, and fortune was not mine
I will return to you, my darlin' Clementine
(CHORUS 2x)
(CHORUS to fade)
