Well, every Thursday night there is a show called  
Friends  
The way they look and act, it sets the latest trends  
So now I'm headed for the Barber's chair  
Cause if there's one thing that I like about those girls,  
it's their hair.

I want hair like you  
(Don't wanna be a slob)  
I want hair like you  
(Just get that cute little bob)  
I want hair like you  
And you'll have hair like me too.

Then shortly after Friends there is a doctor show  
And the young doctor never let's his hair grow.  
He's got a sixty dollar crew cut  
But I would pay twice that much if I could look like his  
elbow.

I want hair like you  
(Cut it nice and short)  
I want hair like you  
(Like a sailor in a port)  
I want hair like you  
And you'll have hair like me too.

No one could ever tell me,  
That I am too darn trendy.  
I like being lead by my nose  
Do what tv tells me

I go buy all the t-shirts  
And all of the soundtracks  
With all the bucks that I spend

I am a executives's dream...yeah

Who cares if people just stop and stare?  
Well, They are all just jealous of my gorgeous head of  
hair.

I want hair like you  
(Don't wanna be a slob)  
I want hair like you  
(Just get that cute little bob)  
I want hair like you  
And you'll have hair like me too.

I want hair like you  
(Cut it nice and short)  
I want hair like you  
(Like a sailor in a port)  
I want hair like you  
And you'll have hair like me too.
