I'm all alone, when the sun, goes down  
What I wouldn't give, to have someone around  
The nights are endless, and dreams, are few  
But when they come, well they never come true  
And so it goes  
No one even knows, the pain behind the smile  
How all the while I'm cryin'  
SAVE ME.....SOMEONE SAVE ME  
SAVE ME.....SOMEONE SAVE ME  
'CAUSE I'VE BEEN SAVIN' MYSELF FOR HER TOO LONG'  
IT'S TIME I'M MOVIN' ON  
Won't you save me?  
Too many memories in this, old town  
My face turned up to meet the rain..the rain that's fallin'  
down  
Let it come  
And so it goes  
That no one even knows, the pain behind the smile  
How all the while I'm dyin'  
(CHORUS)  
Won't you save me?  
Are you gonna be the one to make it right, or am I only  
dreamin'  
Baby am I dreamin'?.....Am I dreamin'?  
No one even knows, the pain behind the smile  
Whoooooh...baby, baby, baby, baby-they don't know  
They don't know...that I'm cryin' all the while  
All the while  
Somebody save me....save me  
Save me.....somebody save me (Mm Mm)  
Save me.....save me  
Save me.....someone save me  
'Cause I've been saving myself for her too long  
It's time I'm movin' on  
Won't you save me....save me  
Can't you see.....that I've been lonely?  
(CHORUS to fade)
