I don't want you  
But I'm inclined to  
Think you're the only fool like me  
And if you want to  
You could hurt me now  
And bring me a world of misery  
I don't wanna make you  
I just wanna take you down  
By the cool clear water  
Under the sun filled sky  
I need you and you need me  
God alone knows why  
God alone knows why  
And if you want to  
Have someone to love you now  
Why shouldn't be a fool like me?  
'Cause we're the only ones laughin'  
At Shakespeare's Tragedy  
And wouldn't you miss my company?  
I don't wanna make you  
I just wanna take you down  
By the cool clear water  
Under the sun filled sky  
Well I need you and you need me  
God alone knows why  
God alone knows why  
(music)  
God alone knows why  
(music)  
I don't want you  
But I'm inclined to  
Think you're the only fool like me  
(pause)  
Won't you meet down  
By the cool clear water  
Under the sun filled sky  
Well I need you and you need me  
God alone knows why  
Oh yeh  
By the the cool clear water  
Under the sun filled sky

Well I need you and you need me  
God alone knows why  
God alone knows why  
Knows why  
God alone knows why
