Where Has The Day Gone

(Sweet Water)

I woke up cold

It's not the first time I've ever felt that way

My shades are drawn

And outside it's raining

The summer's over today

Leaves fall and let me know

A part of me is dying

If I was younger, I'd be outside, running

Days like this seem out of time

Rooms are empty, and so am I

I'm sad and I don't know why

So I lay back on the couch

Turn the TV on, let the phone ring

There's nobody I want to talk to, anyway

When your day's gone

And your faith's gone

And there's no more where that came from

When your day's gone

And your money's gone

And there's no more where you stole that from

Day's gone

Where has the time gone?

Lost somewhere along the way

Day's gone

Where has the time gone?

Yeah, I lost my way

I turn on every light in every room

But I can't seem to cut through the dark and empty
spaces in my heart

Morning falls into noon, the light is fading

I think I'll go to bed and try again, tomorrow

When your day's gone

And your faith's gone

And there's no more where that came from

When your day's gone

And your money's gone

And there's no more where you stole that from

Day's gone

Where has the time gone?

Lost somewhere along the way

Day's gone

Where has the time gone?

I think I lost, I lost my way

I lost my way

I lost my way

I lost my way

My way

My way

Leave a light on for me

Tell me, where has the day gone?

I think I lost my, I lost my way

I lost my way

I lost my way

I lost my way
