You may wonder,  
Why the smile comes every day to my face,  
I'll tell you in a minute,  
But first you need to see that

CHORUS:  
Miracles happen,  
Even to you,  
Something can come along,  
And be more than just luck,  
Miracles happen,  
Happened to me,  
Just keep those hopes up,  
And a miracle you might see

Someone's up there,  
Who knows who,  
An angel, a god,  
It don't really matter,  
But know they're there  
And they sometimes will favor you

CHORUS:  
Miracles happen,  
Even to you,  
Something can come along,  
And be more than just luck,  
Miracles happen,  
Happened to me,  
Just keep those hopes up,  
And a miracle you might see

BRIDGE:  
The day it happened,  
My life changed forever,  
Just keep on thinking,  
It'll come eventually...

END:  
It doesn't take luck,  
It takes a faith,

A hope, a need,  
To keep yourself alive, awake,  
Hold on tight,  
Life is a ride,  
And hope a miracle will happen to you,  
Cuz trust me, miracles happen, they do.
