A shooting star fell down to earth
Lightning cracked the sky
Something weird is happening
Something I can't deny
A strange kind of magic
Running through my brain
Feel I'm in heaven
Or going insane
'Cause everytime we touch
I get this feeling
And everytime we kiss
I swear I could fly
Can't you hear my heart beat fast
I want this to last
Need you by my side
'Cause everytime we touch
I feel the static
And everytime we kiss
I reach for the sky
Can't you hear my heart beat so
I can't let you go
Wan't you in my life
The wind was like a hurricane
Storm clouds filled the sky
I heard a crash of thunder
The earth shook in reply
A strange kind of magic
Running through my brain
Feel like I'm in heaven
Or going insane
'Cause everytime we touch
I get this feeling
And everytime we kiss
I swear I could fly
Can't you hear my heart beat fast
I want this to last
Need you by my side
'Cause everytime we touch
I feel the static
And everytime we kiss
I reach for the sky

Can't you hear my heart beat so
I can't let you go
Wan't you in my life
'Cause everytime we touch
I get this feeling
And everytime we kiss
I swear I could fly
Can't you hear my heart beat fast
I want this to last
Need you by my side
'Cause everytime we touch
I feel the static
And everytime we kiss
I reach for the sky
Can't you hear my heart beat so
I can't let you go
Wan't you in my life
Cause everytime we touch...
