I might have spent my whole life waiting in the dark
Or left this place with a hole inside my heart
You came when I decided this might be my fate
Not one second early, not one second late

Tell me how
You give me hope with just one kiss
And fill my doubts with a love I can't forget oh

Finally,
I breathe again
There are no ways to describe it
There's no way that I can't hide it, oh no

Finally,
The fear is gone
And I don't have to face this world alone
Even though I lost my way,
With you I'm finally home

There were times the pain was more than I could take
But somehow each and every scar has been erased
And if the sun and moon and stars come crashing
down
I'll be in your arms, no safer place I found

This is more
Than a simple memory
I can't ignore
My dreams turned to reality oh

Finally,
I breathe again
There are no ways to describe it
There's no way that I can hide it, oh no

Finally,
the fear is gone
And I don't have to face this world alone
Even though I lost my way,
with you I'm finally home
