Listen don't turn away now  
You know there's a first time for these feelings  
Speak to me show me the way now  
Are my hopes all empty dreams  
Or must we say goodbye  
Couldn't believe my heart could be broken  
Didn't you know my defences were down  
How all those words we left unspoken  
Turned my whole world upside down  
Couldn't you see it in the beginning  
Wasn't it obvious right from the start  
Only a fool believes he's winning  
When he's lost his ace of hearts  
Only a fool  
Please don't walk away now  
Why do you hurt me with your silence  
I can't understand this game your playing  
Lately it's been on my mind  
I had to let you know  
Couldn't believe my heart could be broken  
Didn't you know my defences were down  
How all those words we left unspoken  
Turned my whole world upside down  
Couldn't you see it in the beginning  
Wasn't it obvious right from the start  
Only a fool believes he's winning  
When he's lost his ace of hearts  
Only a fool  
Couldn't believe my heart could be broken  
Didn't you know my defences were down  
How all those words we left unspoken  
Turned my whole world upside down  
Couldn't you see it in the beginning  
Wasn't it obvious right from the start  
Only a fool believes he's winning  
When he's lost his ace of hearts  
Couldn't believe my heart could be broken  
Didn't you know my defences were down  
How all those words we left unspoken  
Turned my whole world upside down
