Verse:

Many turned to see the light
Wondering if tomorrow would they know
Rainbow-coloured
Jewel-bright
Glowing through
The softly falling snow
You can call for a way
Turn night to day

Chorus:

And follow the midnight sun
Midnight sun

Verse:

Ever since the madness fell
Captive of a never-ending daze
Stranded in a timeless spell
And held inside a gilded maze
I wonder how long must it take
Till the sleeping awake

Chorus:

To follow the midnight sun
Midnight sun

Verse:

You can call for a way
To turn night into day

Chorus:

And follow the midnight sun
Midnight sun
You follow the midnight sun
Midnight sun

Verse:

Mirrored in a frozen pool
Images of a long-forgotten past
We all share fragments of a memory
The answers held
Within this crustal glass
I wonder how long must it take
Till the dreaming awake

Chorus:

To follow the midnight sun

Verse:

You know if you look you will find

In your soul, peace of mind
Chorus:
And follow the midnight sun
Midnight sun
And I'll follow the midnight sun
Midnight sun
