You say it's my fault
That your life turned out this way
You say that I'm the reason why you can't go on
Living your way
It has to be my fault all the time
No matter what you say
No matter what you do
You always have something hurtful for me to hear
And I have to say

I'm sorry oh so sorry
I didn't mean to cause you any harm
I didn't want things to turn out the way that they did
I'm sorry oh so sorry
Please forgive the mistakes that I made
I know I made your life a living hell
I didn't mean to take away anything that was yours
I just wanted to say
I'm truly sorry oh so sorry

Yeah I know this is all my fault
I know that you will never love me again
Everything is my fault
Your life is crashing down
To the ground
All because of me
I know I don't deserve to know you
I didn't even deserve to have your love
I just want you to know, no matter where you go

I'm sorry oh so sorry
I didn't mean to cause you any harm
I didn't want things to turn out the way that they did
I'm sorry oh so sorry
Please forgive the mistakes that I made
I know I made your life a living hell
I didn't mean to take away anything that was yours
I just wanted to say
I'm truly sorry oh so sorry

I miss you every day that passes me by
I love you with all of my heart

I think about how happy we were
Before I ruined your life
It's all my fault
I should have never done that
I should have never said that
I know everything hasn't turned out the way I had
planned
And I didn't even get to say goodbye to you

I'm sorry oh so sorry
I didn't mean to cause you any harm
I didn't want things to turn out the way that they did
I'm sorry oh so sorry
Please forgive the mistakes that I made
I know I made your life a living hell
I didn't mean to take away anything that was yours
I just wanted to say
I'm truly sorry oh so sorry

Something's gone terribly wrong
I can't turn back
I cry all the time behind their backs
I'm trying to make everything better
But the walls are crumble'n
The floor is breaking
I'm falling apart
I just don't know what to do
I'm so lost without you

I'm sorry oh so sorry
I didn't mean to cause you any harm
I didn't want things to turn out the way that they did
I'm sorry oh so sorry
Please forgive the mistakes that I made
I know I made your life a living hell
I didn't mean to take away anything that was yours
I just wanted to say
I'm truly sorry oh so sorry
Please forgive me
I didn't want this to happen
I'm sorry oh so sorry
I didn't mean to cause you any harm
I didn't want things to turn out the way that they did
I'm sorry oh so sorry
Please forgive the mistakes that I made
I know I made your life a living hell
I didn't mean to take away anything that was yours
I just wanted to say
I'm truly sorry oh so sorry
Yes, I'm soo sorry!
