I think I'm leaving  
I think it's time I should go  
Tried to believe in  
Tried harder than you know  
This story is getting old  
So burn our love into your soul  
Wasted all of my cum  
And now I'm left with my freedom  
I'm only left with my freedom  
Sweet honey teasing  
Makes me want to stay  
I hear myself crying It's too late anyway  
This story is getting old  
So burn our love into your soul  
Wasted all of my cum  
And now I'm left with my freedom  
I'm only left with my freedom  
Crystal eyes I cannot see through  
Only lord knows how much I miss you  
Wasted all of my cum  
And now I'm left with my freedom

I'm only left with my freedom
