You left me this morning  
And I begged you to stay  
A few words later I gave you away  
So take a good look at me now  
I'm as cold as stone

I'm singing this lonely song  
To say goodbye  
I know I ain't supposed to cry  
But I do for you

Why won't you come back  
So we can talk this over  
And stay for a while and be my lover  
And we might live  
Like never before

I'm singing this lonely song  
To say goodbye  
I know I ain't supposed to cry  
But I do for you

I gave you all and you got nothing  
And now you feel down  
When tears flood in  
I can not stay  
'Cause we will never make it

I'm singing this lonely song  
To say goodbye  
I know I ain't supposed to cry  
But I do for you

I'm singing this song  
To say goodbye

This is goodbye
