Deep in the meadow, under the willow  
A bed of grass, a soft green pillow  
Lay down your head, and close your sleepy eyes  
And when again they open, the sun will rise.

Here it's safe, here it's warm  
Here the daisies guard you from every harm  
Here your dreams are sweet and tomorrow brings  
them true  
Here is the place where I love you.

Deep in the meadow, hidden far away  
A cloak of leaves, a moonbeam ray  
Forget your woes and let your troubles lay  
And when again it's morning, they'll wash away.

Here it's safe, here it's warm  
Here the daisies guard you from every harm  
Here your dreams are sweet and tomorrow brings  
them true  
Here is the place where I love you.

Badadadada...

Here is the place where I love you.

Deep in the meadow, hidden far away  
A cloak of leaves, a moonbeam ray  
Forget your woes and let your troubles lay  
And when again it's morning, they'll wash away.

Here it's safe, here it's warm  
Here the daisies guard you from every harm  
Here your dreams are sweet and tomorrow brings  
them true  
Here is the place where I love you.
