Oh hey
Lately I find myself putting on the same clothes
everyday
Trying to recapture the way it went
And I find myself crying in my bed, lying like I'm dead
I'm crazy in my head and all I know

That the days run out and my heart is back
And my soul is lost in a maze of hate

I don't wanna feel this hurt, I don't wanna feel this
pain
I don't wanna be in silence but you took my words
away
I don't wanna be insane, I don't wanna be alone
But I know, I will be on my own, my own, oh, on my own

Lately I find myself sleeping alone with my phone
Hoping to hear your voice say that I'm coming home
And I find myself rearranging my thoughts
Reversing this heart, returning from being lost

And I know that the days run out and my heart is back
And my soul is lost in a maze of hate

I don't wanna feel this hurt, I don't wanna feel this
pain
I don't wanna be in silence but you took my words
away
I don't wanna be insane, I don't wanna be alone
But I know, I will be on my own, my own, oh, on my own

How am I gonna freeze tomorrow
When it doesn't seem fair?
And you left me with the scar of such sorrow
You don't even care

Well I don't wanna feel this hurt
And I don't wanna feel this pain

I don't wanna feel this hurt, I don't wanna feel this
pain

I don't wanna be in silence but you took my words
away
I don't wanna be insane, I don't wanna be alone
But I know, I will be on my own, my own, oh, on my own

I don't wanna feel this hurt, I don't wanna feel this
pain
I don't wanna be in silence but you took my words
away
I don't wanna be insane, I don't wanna be alone
But I know, I will be on my own, my own, oh, on my own
