He malienou en baou fola  
Ahahah malienou baou fola yan

C'est pas facile  
C'est pas facile

Mounoube kalana ayaou didja kalana  
Mounoube barala ayaou didja barala

So Sir, don't take me for no fool  
Cause every day I live my life like a soldier

Mounoube kalana ayaou didja kalana  
Monoube folila ayaou didja foli

Please Sir, don't question my qualifications  
Sweeping streets won't pay for my education  
Hands in my head  
Set for new destinations  
Don't like my kind?  
Go tell Immigration

Struggling for her next of kin  
But she came to win, she came to win  
See, she's got the heart and she's got the brains  
But she's got too much Melanin

C'est pas facile

An digi yaouye andigi yaouye an digi yaouye mali ka balon tana ou

So Sir, don't take me for no fool  
Cause every day I live my life like a soldier

An digi yaouye andigi yaouye an digi yaouye aigleous samata sege ou

Struggling for her next of kin  
But she came to win, she came to win  
See, she's got the heart and she's got the brains  
But she's got too much Melanin
