I won't leave you out of my will  
But I will leave you out of my mind - for now

I won't be there to break your sweet heart  
But not being there might break your sweet heart

You are my joy - you are my joy  
You are my joy - you are my joy  
You are my joy - you are my joy  
You are my joy - you are my joy

If I could cradle you into my arms  
I would cradle you tight in my arms - always

So don't be scared of all the hurtful words  
Cause in the end they'll hurt themselves much more

You are my joy - you are my joy  
You are my joy - you are my joy  
You are my joy - you are my joy  
You are my joy - you are my joy

You are my joy - you are my joy  
You are my joy - you are my joy  
You are my joy - you are my joy  
You are my joy - you are my joy
