If the day was any longer,
Could I change your mind,
If your love was any stronger,
You'd stay behind.
Will I lose my mind,
Just to past the time,
Will I lose my mind,
Just to past the time.
If the day was any brighter,
You'd have seen the signs,
If your love begins to wander,
Should I count the times?
Will I lose my mind,
Just to past the time,
Will I lose my mind,
Just to past the time.
If the day was any day,
You would forget my name,
But the things that I am saying,
They'd still mean the same.
Will I lose my mind,

Just to past the time,

Will I lose my mind,

Just to past the time.
