Everybody move your body now do it
Here is somethin thats gonna make you move and
groove
Hey DJ keep playin that song all night on and on and on

Everybody move your body now do it
Here is somethin thats gonna make you move and
groove
Hey DJ keep playin that song all night on and on and on

It's Friday night and the weekends here I need to
unwind
with the party Mr DJ, DJ

I am ready to call my friends so we can boogie down
with
a party heey heeeey Mr DJ

Hey Mr. DJ you can get this started, Everybodys ready
to
party all night all night all the girls are ready so we
can all get to it, so we can party till the break of dawn

Everybody move your body now do it
Here is somethin thats gonna make you move and
groove
Hey DJ keep playin that song all night on and on and on

Everybody move your body now do it
Here is somethin thats gonna make you move and
groove
Hey DJ keep playin that song all night on and on and on
