"Like An Angel"

i've had battles with the devil and it's left a scar or
two why do i forget my troubles whenever i'm with you
like an angel are you an angel you have saved my
heart and you play your part like an angel to me
yes i met you on my darkest day when my world turned
cold as ice you lit my cigarette and you took me away
uh it felt like paradise
like an angel a real angel drown me in your light take me
through the night you're an angel i have fallen from the
dark above into the arms of love you're an angel - to me
you're an angel - to me to me to me baby you're an angel
- to me you're an angel i have fallen
