I remember when
We used to talk about
All the little things
That life would throw at us
But by the way why can't you say
That you'll be mine
By the way why can't you say
That you'll be mine

We all
Wanna be somebody
Somebody once told me
"Learn how to love"
We're all
Searching for somebody
But that someone
Won't always love

Can you see
All that we have become
When we try
When we try to be
Someone we're not
Someone we love
Change is not the change that we need

We all
Wanna be somebody
Somebody once told me
"Learn how to love"
We're all
Searching for somebody
But that someone
Won't always love

We're not alone
We're just looking too hard
Always changing
We're never waiting
Spirits say
You gotta love who you are

Don't change for love
You gotta let it change you

We all
Wanna be somebody
Somebody once told me
"Learn how to love"
We're all
Searching for somebody
But that someone
Won't always love
Love love
Love love
Love love
Love love
I remember when
I remember when
